

Richard Weiss

Reporter midcaps
Bloomberg LP
Frankfurt

Richard Weiss is a reporter covering small and medium-sized companies in German-speaking countries out of Frankfurt. Previously, Richard worked for Bloomberg Television for eight years, anchoring shows, interviewing executives and reporting from stock exchanges in German and English for both tv and radio. Since switching to Bloomberg's newswire, Richard's company coverage spanned aviation to consumer goods and industrials across Europe, amassing insights he is now applying to identify big stories in small companies. His work is frequently published in Bloomberg Businessweek.

Richard has an MA in Economics from the State University of New York at Albany and the equivalent to an MBA from Julius-Maximilians-Universität Würzburg, Germany.
