

Sébastien Bougon

Founder, Chairman & CEO, Flying Whales

Sébastien, 52, is a civil engineer has a master in management.

He spent 8 years in construction industry: he started as design engineer for large bridges, which lead him to Site/Engineering Coordinator, and Project Finance

Manager for large PPI construction programs. He moved to media business (TF1 Group), during 8 years, first as Corporate Finance Manager, then CEO of several subsidiaries, and as Deputy MD/Special Advisor to the TF1 Chairman & CEO.

He has been for 4 years Managing Director of SERENDIPITY INVESTMENT, the private equity fund dedicated to the common investments of BOUYGUES Group & ARTEMIS (M. PINAULT Group). Sébastien then achieved a buyout, a successful restructuring, and sold the company in 2012. He founded FLYING WHALES in 2012.
